CRAWLING WITH COPS TO RELEASE LONG AWAITED DEBUT ALBUM

In what could be the indie album of the year, alternative duo Crawling With Cops will release their debut album *Oojah Cum Pivvy* on June 1st 2016.

Currently based in Madison, WI, Crawling With Cops consists of performer/songwriter Chris G. Simmons and singer Claire Lempke. *Oojah Cum Pivvy* marks the 20th album Chris G. Simmons has recorded on indie label Monstaar Media. Claire Lempke was discovered in a church choir and her angelic voice brings a unique presence to her debut studio performance.

The album is definitely rock and roll, yet distinctively poppy and deliciously diverse with some songs having an almost late 80's vibe.

The band will be forgoing a US tour in favor of getting back into the studio to record their second album.
